PROFESSIONAL EXPERIENCE

Chief Manager, Creative Lead | AngelOne — Mumbai, India | Aug 2021 – Feb 2026

- Designed pitch decks & presentations layouts and marketing collateral, translating complex business information into clear visual narratives aligned with brand guidelines.
- Led end-to-end high-quality creative delivery from briefing and resource planning to optimisation, QC and final asset handoff for business and marketing goals.
- Successfully managed 30+ campaigns annually with 95% accuracy in creatives deliveries, cross functional collaboration with stakeholder and helped to launch campaign successfully in tight deadlines while optimizing resources and commercials.
- Led creative strategy and art direction for App marketing campaigns manging 50+ static and video creatives per campaign cycle, supporting **₹1 crore+ in monthly Google and Meta advertising** spend and achieving average CTRs of 2–3%.
- Combined hands-on design execution to create highly effective static and motion ads creatives for Angel One's App, **lifting install rates by 35%.**
- Spearheaded IPL campaign creatives within a regulated financial-services environment, maintaining brand consistency, design quality and technical execution across static and video creatives that generated **1.1B+ paid and organic impressions.**
- Reduced **TAT by 35% in FY24-25 by** Implementing Gen-AI tools for voice, image, and video generation into the production workflow, without lowering the visual standard on brand communication design and video ads.

Head of Design | YardnVision Studio — Mumbai, India | Jun 2017 – Jul 2021

- Led advertising campaign and High-end product creative for e-commerce, healthcare Cipla), and e-learning KGL clients across visual design, general UI/UX and 3D promo video.
- Led and inspire a team of designers and video editors, providing clear creative and art direction for the development of compelling creatives for brand communication & marketing campaigns.
- Designed end-to-end Creative and product design for a healthcare for doctors and medical reps by doing research, wireframes, prototyping, and final UI.
- Handled a team of 6 designers for team development, faster production and ran brainstorming sessions to pitch creative concepts for new campaigns.

Sr. Visual Designer | WOOTFactor Brand Architects — Mumbai, India | Jul 2014 – May 2017

- Owned brand narrative across ATL/BTL, digital, and event collateral for Banking clients (HDFC, ICICI, Yes Bank) across communication design and stage & exhibition design.
- Ran the full visual design production pipeline solo from concept to delivery on 14+ events a year, including art direction for high-profile events with celebrity talent under tight deadlines.
- Introduced 3D design tools to the studio, cutting project turnaround time 25%.
