PROFESSIONAL EXPERIENCE

Chief Manager, Creative Lead | AngelOne Mumbai, India | Aug 2021 – Feb 2026

- Led the IPL campaign creatives under the compliance regulated system that generated **~1.1B+ impressions across digital and video channels**. (Paid + Organic)
- Led creative strategy and concepts for aligning **₹1Cr+ in monthly** Google and Meta ad spend with a **pipeline of 50+** static and video creatives that hold a avg. of **2–3% CTR** per campaign cycle.
- Implemented the Google’s ABCD framework to create highly effective YouTube video ads for Angel One's App marketing campaign, **lifting install rates 35%**.
- Handling operations from learning insights, planning, optimization, QA sign-off, and final asset handoff for customer acquisition, app install, and marketing campaigns.
- Grew Angel One's YouTube channel by 2 lakh subscribers in FY24-25, directing product feature ads and educational content across F&O, IPO, MTF, and SIP.
- Implemented Gen-AI tools for voice, image, and video generation into the production workflow, cutting **turnaround time 35% in FY24-25** without lowering the visual standard on brand communication design and video ads.

Head of Design | YarnnVision Studio Mumbai, India | Jun 2017 – Jul 2021

- Built design system for e-commerce brands that **drove 3x growth** in sales by handling execution through agencies for product shoot, video & social media campaigns.
- Led and inspire a team of designers and video editors, providing clear creative and art direction for the development of compelling visual content for brand communication & marketing campaigns.
- Designed end-to-end UX for a healthcare web app used by doctors and medical reps research, wireframes, prototyping, and final UI.
- Creating eLearning books experience for KGL International, cutting production time 20% while holding to strict accessibility standards.
- Handled a team of 6 designers for team development, faster production and ran brainstorming sessions to pitch creative concepts for new campaigns.

Sr. Visual Designer | WOOTFactor Brand Architects Mumbai, India | Jul 2014 – May 2017

- Owned brand narrative across ATL/BTL, digital, and event collateral for Banking clients (HDFC, ICICI, Yes Bank) across communication design and stage & exhibition design.
- Ran the full visual design production pipeline solo from concept to delivery on 14+ events a year, including art direction for high-profile events with celebrity talent under tight deadlines.
- Introduced 3D design tools to the studio, cutting project turnaround time 25%.
